Where Heritage Meets Indulgence

Rooted in legacy and hand-crafted with finesse, House of Mishti brings timeless Indian sweets into a new light. A premium offering from Haldiram's, House of Mishti reimagines tradition — where familiar flavours meet refined presentation, and every detail is thoughtfully composed to elevate the experience.

At its heart, House of Mishti is a celebration of India's rich culinary heritage. Each creation is lovingly crafted, using premium ingredients, delicate techniques, and a generous pinch of imagination. The result is a range of indulgent sweets that feel both nostalgic and new — comforting in essence, yet contemporary in spirit.

These are not just sweets — they are memories, emotions, and moments waiting to be unwrapped. From beautifully packaged fusion pops to thoughtfully curated gifting boxes, House of Mishti transforms mithai into a keepsake of joy.
